Korfball Summer Camp 2019

The 28th annual summer camp runs from **Saturday 27 July to Saturday 3 August 2019** at the Avon Tyrrell Youth Club Residential Centre, set in beautiful grounds in the New Forest at Bransgore, Hampshire. Facilities include a lodge, a lake, heated outdoor swimming pool, sports fields, hard courts and its own woods.

WHO CAN GO? The camp is open to all young people aged 10 to 16 years. Younger children can also go providing they have a parent at the camp. Numbers are limited to 50.

WHO RUNS THE CAMP? The camp is organised under the auspices of the Norfolk Korfball Association and staffed by parents and experienced volunteers, with a ratio of at least one adult to five children. There are qualified instructors for activities such as swimming, canoeing and archery. Parents, youth leaders and general helpers are welcomed at the camp to help, supervise, organise and have lots of fun. The cost to helpers is £105 to cover food and accommodation.

WHAT'S ON? There are lots of sports activities on site including swimming, kayak canoeing, archery, rope challenge, orienteering, football, tennis, badminton, cricket, rounders, table tennis, volleyball and of course korfball. There will be excursions and trips out and competitions and non-korfball activities organised on camp. There is a big 'bash' at the end of the week and the chance to beat the korfball team from the coaching course in the annual grudge game.

ACCOMMODATION AND WHAT TO BRING Accommodation is camping in an area of the Centre's grounds with access to a toilet block and showers. Individuals should bring their own tent, sleeping bag, washing kit, towels, a torch, swimming gear and plenty of appropriate clothing. Food is provided and cooked at the camp. Please let them know of any special dietary requirements before the camp starts. Insect repellent and sun cream is good idea and you may like to bring extra sports equipment and games or musical instruments to play in the evenings.

COST The cost for the week is **£262**. This includes food, utensils, camping fees, facilities and activities mentioned above. There are a limited number of grants of up to £80 available. These will be processed through your club. For a great time £35 pocket money will cover extras and trips out.

TRAVEL Transport to and from Avon Tyrrell is not provided although travellers by train can be collected from Christchurch station, by arrangement. There will be other people going from various parts of the country so it may be possible to get a lift for a share of the petrol. Arrival between 2pm and 4pm on Saturday 27 July, departure by 12 noon on Saturday 3 August.
