COACHING

KORFBALL SUMMER COACHING WITH NORFOLK 2021

Each summer, Norfolk Korfball Association organises a week of korfball for up to 24 coaches and 50 youth players, with 20 volunteers to coach, cook and generally look after the whole community. As well as coaching courses, there is a korfball and activity summer camp for young people and families. Combining all this at one venue means we attract some of the best coaches and tutors in the country who are keen to impart their knowledge. For 2021, we are switching to a new venue in Norfolk with plenty of space and excellent facilities nearby. Full board and lodging (in a room with up to 5 people or optional camping) and course materials are included. Any surplus funds are paid over to the British Korfball Foundation to support korfball in the UK.

The event is based at the Eaton Vale Activity Centre, just outside the city of Norwich with most of the korfball practical sessions at the Sportspark at the University of East Anglia (UEA) campus

This year we have 3 levels of courses available:

EKA LEVEL 1 COACHING CERTIFICATE - WEEKEND 31 JULY-1 AUGUST 2021

This entry level coaching qualification, normally delivered in one day, is spread over 2 days to allow more time for practical coaching and interaction with the tutors. Starts at 2pm on the Saturday and finishes at 5pm on the Sunday. **Cost £65 per person.**

1ST4SPORT LEVEL 2 CERTIFICATE IN COACHING - SATURDAY 31 JULY TO SATURDAY 7 AUGUST 2021

This is the nationally recognised qualification for club coaches and is run in conjunction with Sport Structures. It requires the completion of two additional tasks after the week's course: 4 linked sessions delivered at your club followed by a final assessment, either delivered locally or at next year's course. When completed you will be qualified to coach independently.

This course is an intensive week of high-level skills training, and teaching of coaching techniques. It will start with the delivery of the EKA level 1 course to ensure everyone has the necessary basic skills followed by 3 days of korfball tactics and game play and 2 days of practical assessments. On top of the standard course there will be sessions on child protection, match coaching and rules, with the opportunity to sit the referee's exam. There is also time to follow up with the participants specific needs. It is recommended that participants gain some coaching experience at their club before attending.

Cost is £685 per person. There are grants of up to £200 available to help with the cost. Those who camp rather than having a bed in the Centre will have a further reduction of £100. Please note that a £100 deposit is required to reserve a place on this course.

COACHING AND PLAYER DEVELOPMENT - SATURDAY 1 TO SATURDAY 7 AUGUST 2021

This course will follow the EKA Level 1 Coaching Certificate and then all the practical elements of the 1st4Sport course. No level 2 certificate is awarded, which allows more time for more practical training. It is suitable for those who wish to improve their knowledge and skills as well as gain insights into the coaching process.

Cost is £325 per person. Those who camp rather than having a bed in the Centre will have a further reduction of £100. A £50 deposit is required to reserve a place on this course.

FOR MORE INFORMATION, TO BOOK & APPLY FOR A GRANT : Email your details to Philip Buttinger philipbuttinger@gmail.com. Deposits should be made directly into Norfolk Korfball Association's bank account at Barclays 20-62-53 10469440 before the 4 June 2021. **Payment in full is required by 9 July 2021.**
